

Mission:

Open Window Adoption Inc. (OWAI) will partner with Christian parents who are in the domestic and international adoption process by providing support through financial grants.

Vision:

God has called His Church to care for and defend the cause of the Fatherless. OWAI will work to that end by helping to place children in homes where they belong. Through financial grants OWAI will help ease the burden of adoption costs for Christian parents who have been approved to adopt.

Vision Defined:

- OWAI believes the Church should come alongside those who are adopting
- OWAI will issue grants to qualifying Christian parents to help ease the financial burden of adoption
- **OWAI will join in intercessory prayer for each adopting family we support**

Intent:

Mother Teresa said, "If you can't feed One Hundred people than feed just One". We won't be able to help every adopting family but we can help some. We will remember the words of Jesus, "Whoever welcomes one such child in my name welcomes me." (Mathew 18:5). OWAI will help ease the financial burden for those willing to welcome children in to their homes.
